

STATE ROAD (S.R.) 4 BLACKWATER RIVER BRIDGE REPLACEMENT PROJECT OKALOOSA COUNTY

Financial Project ID: 432828-1-52-01

Project Information:

The intent of this project is to replace the existing structurally deficient bridge on S.R. 4 over the Blackwater River and reconstruct the roadway approaches as necessary to connect the replacement bridge with the existing roadway. Additional right-of-way is expected to be required. Right-of-way acquisition and construction funding is included in the Florida Department of Transportation (FDOT) Five-Year Work Plan.

STATE ROAD 4 BLACKWATER RIVER BRIDGE REPLACEMENT PROJECT OKALOOSA COUNTY

Financial Project ID: 432828-1-52-01

Project Information:

The intent of this project is to replace the existing structurally deficient bridge on State Road 4 over the Blackwater River and reconstruct the roadway approaches to accommodate 12-foot lanes and 10-foot shoulders. Additional right-of-way is expected to be required. Right-of-way acquisition and construction are funded in the Florida Department of Transportation (FDOT) Five-Year Work Plan. Traffic will be maintained during construction. Bids for construction are scheduled to be received winter 2018 and should take just under two years to complete.
