

County Road 30A over Western Lake Bridge Replacement Project Walton County

Financial Project ID: 443331-1-32-01

Existing Western Lake Bridge

Anticipated

Start Date **End Date**
Fall 2023 **Summer 2024**

Project Information:

The intent of this project is to replace the existing structurally deficient bridge on County Road (C.R.) 30A over Western Lake. Additional right-of-way may be required for construction of the proposed bridge.

Improvements Include:

- new guardrail
- new approaches to the bridge
- minor drainage improvements

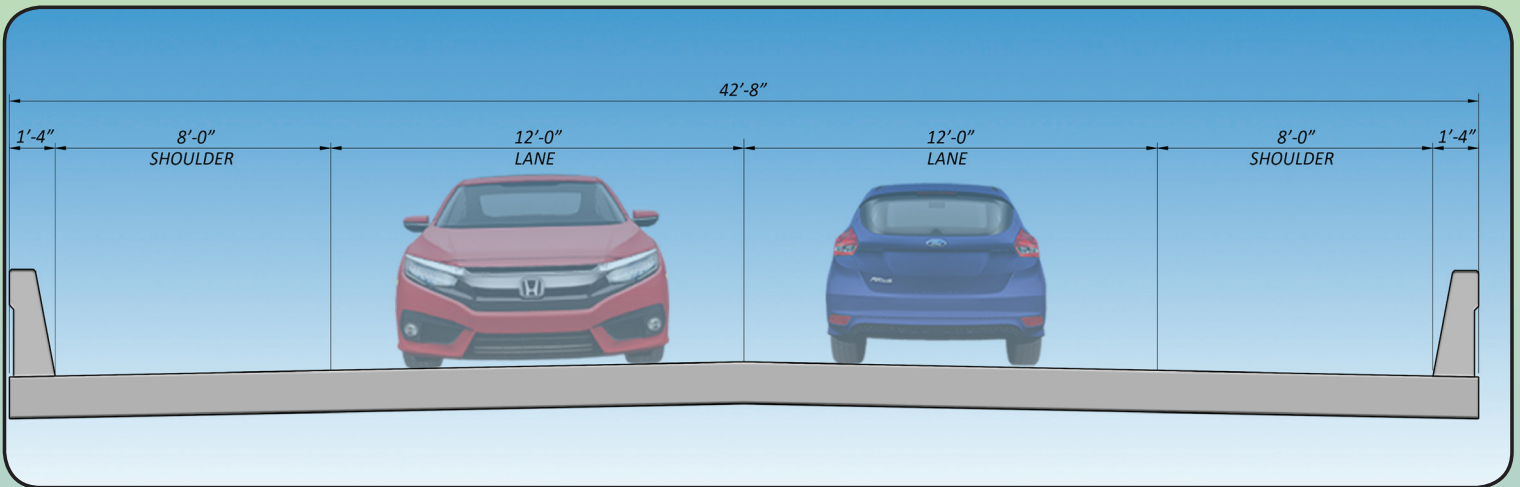

Traffic Impacts

Bridge construction is estimated to take approximately 16 months, weather permitting. Both C.R. 30A lanes and the pedestrian/bicycle shared-use path will remain open throughout the duration of construction.

Typical Section

The two-lane bridge will provide a twelve-foot wide travel lane with a eight-foot wide shoulder in each direction.

For More Information

If you have questions or concerns you may fill out the enclosed pre-addressed comment form or contact the FDOT Project Manager Bill Howell. Comments mailed must be postmarked no later than Monday, October 5, 2020.
