

Project Information

The intent of these U.S. 29 projects is to resurface existing travel lanes, auxiliary lanes, and construct sidewalks where none exist.

Additional features include:

1. Realigning S.R. 292 (Pace Boulevard) intersection to improve traffic flow
 - Access to Pace Boulevard from Massachusetts Avenue will become right out only
 - Massachusetts Avenue will no longer have direct access to U.S. 29
2. Safety and mobility improvements from U.S. 90 (Cervantes Street) to West Scott Street
 - Repurposing the number of lanes from four to two-lanes
 - Constructing seven-foot bike lanes with a five-foot buffer
 - Minor concrete rehabilitation
3. Upgrading traffic signals and pedestrian features to meet Americans with Disabilities Act (ADA) standards

Minor right-of-way acquisition will be required at the following intersections:

- West Leonard Street
- S.R. 295 (Fairfield Drive)
- S.R. 292 (Pace Boulevard)

Bids for construction are scheduled to occur spring 2023.

There are many ways to provide comments

Virtual Attendance (Online)

- Enter your comment in the chat window during the meeting.
- Provide comments or questions to the FDOT Project Manager via email or mail by Friday, August 26, 2022.

In-Person Attendance

- Complete a comment form and drop it off in the comment box.
- Provide comments or questions during meeting to team members.
- Provide comments or questions to the FDOT Project Manager via email or mail by Friday, August 26, 2022.

For More Information

Should you have questions regarding these projects or this meeting, please contact:

Sandra Lamb, P.E.

How To Participate

The Florida Department of Transportation (FDOT) invites you to attend a hybrid public meeting for the U.S. 29 (North Palafox Street) resurfacing projects. This hybrid meeting is being held both virtually and in-person to provide interested persons an opportunity to express their views concerning the proposed improvements. Those who are unable to participate virtually may attend the meeting in-person. See the information sheet in this handout for details. Interested persons can visit the project website at www.nwflroads.com/virtualmeetings and register for one viewing option (virtual or in-person). If you have any questions or issues registering, please contact the FDOT Project Manager.

Maps, drawings, and other project information is available for review online beginning 12 p.m. (CDT) Tuesday, August 2, 2022, at www.nwflroads.com/virtualmeetings. The materials may also be viewed by contacting the FDOT Project Manager.

Instructions for Attending the Hybrid Public Meeting

Pre-registration is required for the virtual format and encouraged for in-person attendees. Interested persons can visit the project website at www.nwflroads.com/virtualmeetings and register for one viewing option (virtual or in-person). The updated project materials may also be viewed by contacting the FDOT Project Manager via the contact information provided in this handout. If you have any questions or issues registering, please contact Sandra Lamb, P.E., FDOT Project Manager, at (850) 415-9005.

To register visit www.nwflroads.com/virtualmeetings or contact Sandra Lamb, P.E., FDOT Project Manager at (850) 415-9005.

To attend the In-Person Public Meeting:

The In-Person Public Meeting will be held at:

Spencer Bibbs Center
2005 North 6th Avenue
Pensacola, FL
5:30 - 6:30 p.m. (CDT)

Persons registered for the In-person Public Meeting can attend at the designated public viewing location.

1. Current safety guidelines will be implemented.
2. Upon arrival, please sign-in.
3. Project displays will be available for review. Team members will be on-site to assist with questions and/or concerns.
4. Comments may be turned in during the meeting or mailed into the project manager until Friday, August 26, 2022, via the methods presented in this handout.

To attend the Virtual Public Meeting:

The Virtual Public Meeting will be held through
GoToWebinar.

5:30 - 6:30 p.m. (CDT)

Persons registered for the Virtual Public Meeting can attend online using GoToWebinar.

1. Virtual online attendees should use the sign-in link emailed to them after registering.
2. During the meeting, citizens will have an opportunity to provide input and ask questions to staff by entering comments in the designated question box.
3. The public meeting presentation will be broadcast to virtual attendees.
4. Public comments may be submitted by any of the methods mentioned in the project handout.
