TRANSPORTATION OUTLOOK 2035 LONG RANGE TRANSPORTATION PLAN

APRIL 19, 2011, PUBLIC WORKSHOPS

The Okaloosa-Walton Transportation Planning Organization is updating the Long Range Transportation Plan. The Plan addresses mobility needs over the next 20 years in Okaloosa and Walton Counties. Transportation Outlook 2035 will include a list of needed transportation improvements that are not limited by funding availability. The list will include improvements needed through the year 2035 to accommodate future growth. Public input is essential to the sustainable growth of the region. Transportation Outlook 2035 will become a blueprint for the region's transportation system. Projects chosen for funding must be included in the Plan. Plan adoption is scheduled for March 2012.

Join fellow citizens in discussing transportation needs and priorities.

Tuesday, April 19, 2011

Cinco Bayou Baptist Church Kidd Street Center (Fellowship Hall)

TRANSPORTATION OUTLOOK 2035 LONG RANGE TRANSPORTATION PLAN

Oct. 24 & 25, 2011, PUBLIC WORKSHOPS

The Okaloosa-Walton Transportation Planning Organization is updating the Long Range Transportation Plan. The Plan addresses mobility needs over the next 20 years in Okaloosa and Walton Counties. Transportation Outlook 2035 includes a list of needed transportation improvements that are not limited by funding availability. The list includes improvements needed through the year 2035 to accommodate future growth. During the Public Workshops, funding for transportation projects will be discussed in an "open workshop" format. Public input is essential to the sustainable growth of the region. Transportation Outlook 2035 will become a blueprint for the region's transportation system. Projects chosen for funding must be included in the Plan. Plan adoption is scheduled for March 2012.

Join fellow citizens in discussing transportation priorities.
